

Adams County

Each Nebraska county with sufficient data is represented by a dot, placed on a continuum from least health to healthiest in the nation.

The color of each dot represents data-informed groupings of counties nationwide with similar **Population Health and Well-being** or **Community Conditions** on the continuum.

Population Health and Well-being: Adams County is faring about the same as the average county in Nebraska for and better than the average county in the nation.

Community Conditions: Adams County is faring about the same as the average county in Nebraska and better than the average county in the nation.

Population: 30,899	2025	Low NE 2025	High NE 2025	NE 2025	U.S. 2025
Population Health and Well-being
