

Thomas County

N/A

N/A

Each Nebraska county with sufficient data is represented by a dot, placed on a continuum from least health to healthiest in the nation.

The color of each dot represents data-informed groupings of counties nationwide with similar **Population Health and Well-being** or **Community Conditions** on the continuum.

Population Health and Well-being: Thomas County does not meet the criteria to be included in the calculation for this year due to insufficient data.

Community Conditions: Thomas County does not meet the criteria to be included in the calculation for this year due to insufficient data.

Population: 677	2025	Low NE 2025	High NE 2025	NE 2025	U.S. 2025
